The Hillsborough Animal Health Foundation is a non-profit 501(c)3 founded in 1987 by a group of community-minded Hillsborough County veterinarians. The programs and educational efforts of the Foundation are designed to accomplish two things, advance the principles of responsible pet ownership, and to see all pets live healthy, happy lives. The Foundation has dedicated years of public service and advocacy to improve pet health, responsible pet ownership and care through an emphasis on pet owner education. Today, it is supported by over 40 member hospitals throughout Hillsborough County.
